Exercising Memory and Pronunciation

1. Look for a tongue twister you like and write it down on a piece of paper.
2. Read the tongue twister aloud slowly first and then slowly increase the speed.
3. Once you are ready, record yourself (video or audio) and see how good you are at remembering ideas and pronouncing them.
4. Have fun.

A big black bug bit a big black dog on his big black nose.

Un insecto grande y negro mordió un perro grande y negro en su nariz grande y negra.
